The Russian Ministry of Education has allocated 30 scholarships for international students applying to Tyumen State University for the 2014-2015 academic year.

The scholarships are available at all levels of study – bachelor's, master's and doctoral programs.

The scholarship covers the programme fees, a stipend, and accommodation costs.

Applicants should possess a working knowledge of Russian.

Offering more than 170 educational programs and with more than 80 years of successful learning and research, Tyumen State University is one of the most dynamically developing classical universities of Russia.

Tyumen is the capital city of the region ranked second after Moscow in economic development.

Required application materials include:

· completed application with photo

· medical certificate with results of HIV/AIDS test (copy)

· copy of previous education certificate

· copy of passport (passport should be valid 18 months after the date of visa issue)

All documents should be translated into Russian and certified by a public notary.

After the selection process the applicants will be enrolled in Tyumen State University.
